Milton Nursery Company

A. Miller & Sons, Incorporators

MILTON, OREGON

SPECIAL PREMIUM OFFER

To increase our present mailing list, we are making a Special Premium Offer, in which you may participate for only a moment of your time.

With each order, accompanied with cash, amounting to \$2.50 or more, and the names and addresses of Six (6) persons whom you believe may desire to purchase nursery stock or will be interested in receiving our General Descriptive Catalogue, we will include, FREE with your order, your choice of any PEONY PLANT herein priced at 50 cents or less.

Be sure to write the names and complete addresses PLAINLY, stating your choice of premium.

PREPAID TRANSPORTATION

We pay transportation charges to any point in the Pacific Northwest where cash accompanies order, and to all other points west of the Missouri river one half the transportation charges, cash to accompany order.

COMBINATION PRICES

All grades and varieties in any one class are allowed to make up total applying to quantity price. For example: all kinds of fruit trees will be considered as one class and all varieties of shrubs as one class, etc.

OUR GUARANTEE

All goods are guaranteed to reach you in good, healthy, growing condition; up to grade standard as represented; and to pass State Inspection. At the prices we sell our nursery stock, it is impossible for us to guarantee growth or to be responsible for stock after delivery to our customers in good condition.

Our 60 years of continuous growing and selling quality nursery stock to our many thousands of satisfied customers throughout the United States is an important assurance of your entire satisfaction.

NON-WARRANTY

While we hold ourselves in readiness, on proper proof, to replace free of charge all trees, etc., that may prove untrue to label, or refund the amount paid, we give no warranty expressed or implied as to description, quality, productiveness or any other matter of any Nursery stock, seeds, bulbs or plants we sell.

**USUAL DISTANCES
FOR PLANTING**

Pear.....	20 to 35 feet apart
Apple.....	25 to 40 feet apart
Sweet Cherry..	25 to 35 feet apart
Sour Cherry.....	
Plum.....	16 to 20 apart
Prune.....	
Apricot.....	
Peach.....	
Grapes.....	6-8 ft. by 6-8 ft.
Currant	4 to 5 feet apart
Gooseberry.....	3 to 4 feet apart
Blackberry..	3 to 4 ft. by 5 to 7 ft.
Raspberry.	3 to 4 ft. by 5 to 7 ft.

Rule—Divide 43,560 (the number of square feet in an acre) by the number of square feet for each plant. The result is the number required for an acre. **Example:** trees planted 20 ft. apart each way equals 400 square ft.; 43,560 divided by 400 equals number of trees per acre.

If trees are planted on the Triangular system, 15 per cent more than for the Square system will be required.

FRUIT DEPARTMENT

See pages 24 to 32 in our illustrated catalog for description of various kinds of fruit.

DISCOUNTS ON FRUIT TREES ONLY

500 and up 5% discount from 100 rates. 1,000 at 10% discount from 100 rates.

CYPRESS

Lawsonia (Lawson's)

Tall handsome tree of pyramidal shape with dark silvery blue lustrous foliage.

3 to 4 feet.....	3.25
30 to 36 inches.....	2.75

JUNIPERUS (Juniper)

Chinensis Columnaris glauca (Columnar blue Juniper)

Columnar type, blue-gray foliage. Hardy. Grafted.

3 to 4 feet.....	3.00
2 to 3 feet.....	2.50

Chinensis Mascula (Pyramidal Chinese Juniper)

Dark, blue-green foliage; pyramidal grower with upright horizontal branches.

5 to 6 feet.....	3.75
4 to 5 feet.....	3.25
3 to 4 feet.....	2.75
30 to 36 inches.....	2.25

Chinensis Pfitzeriana (Pfitzer's Juniper)

The most useful Juniper in cultivation. Will stand any temperature. Hardy.

24 to 30 inches spread.....	3.00
18 to 24 inches spread.....	2.75

Chinensis Procumbens (Chinese trailing Juniper)

A creeping Juniper of blue-green foliage, seldom exceeding one foot in height.

30 to 36 inches spread.....	3.25
-----------------------------	------

Communis Depressa (Canadian Prostrate Juniper)

A low spreading plant, seldom exceeding a height of 2 feet. Blue green foliage.

24 to 30 inches spread.....	3.00
18 to 24 inches spread.....	2.50

Communis Depressa Plumosa (Andora Juniper)

The foliage is a rich bright green in the Spring and Summer and a beautiful purple bronze in the Winter, not over 18 inches high. Hardy.

24 to 30 inches spread.....	3.00
18 to 24 inches spread.....	2.50

Evergreens Beautify, Summer and Winter

EVERGREENS—Continued**Douglasi Horizontalis (Waukegan Juniper)**

Very low and compact, soft blue color.	—Each—
24 to 30 inches spread.....	3.00
18 to 24 inches spread.....	2.50

Excelsa Stricta (Greek Juniper)

A symmetrical cone shaped Juniper with silvery glaucous foliage.

3 to 4 feet.....	3.25
2 to 3 feet.....	3.00
18 to 24 inches.....	2.75

Hibernica (Irish Juniper)

Well known, upright form. Hardy.

4 to 5 feet.....	3.00
3 to 4 feet.....	2.50
30 to 36 inches.....	2.25

Sabina (Savina's Juniper)

A semi-spreading shrub growing up to 4 feet in height; deep dark green color.

24 to 30 inches.....	3.00
18 to 24 inches.....	2.50

Sabina Tamariscifolia (Tamarix Savin Juniper)

One of the finest creeping varieties, forming a dense compact carpet of blue-green color.

18 to 24 inches spread.....	2.75
15 to 18 inches spread.....	2.25

Scopulorum (Colorado Silver Cedar)

Pyramidal growth with silvery-gray foliage.

3 to 4 feet.....	3.00
30 to 36 inches.....	2.75
24 to 30 inches.....	2.50

Scopulorum (Chandler's Silver)

Pyramidal, compact habit of growth. Attractive silver-blue foliage. Very desirable. Grafted.

3 to 4 feet.....	3.25
30 to 36 inches.....	3.00
24 to 30 inches.....	2.75

Scopulorum (Marshall's)

Form and growth same as Chandler's silver with equally fine silver-blue foliage. Grafted.

3 to 4 feet.....	3.25
------------------	------

Scopulorum (Sutherland)

Slightly slower growth than Chandler's and Marshall's, with gray-silver foliage. Grafted.

3 to 4 feet.....	3.00
30 to 36 inches.....	2.75

Squamata Meyeri (Meyer's Juniper)

Beautiful deep blue Evergreen of dwarf irregular habit. Very desirable. Grafted.

30 to 36 inches.....	3.50
----------------------	------

Virginiana (Red Cedar)

Hardy, rapid grower. So well known needs but little description.

4 to 5 feet.....	3.50
3 to 4 feet.....	3.00
30 to 36 inches.....	2.75
24 to 30 inches.....	2.25

Virginiana Glauca (Silver Red Cedar)

This well known Evergreen is gaining in favor every year, due to its unusual silver-blue color.

3 to 4 feet.....	3.50
------------------	------

EVERGREENS—Continued**Virginiana kosteri (Koster's Juniper)**

Quite similar ot Pfitzer's Juniper in form and color.

	Each
24 to 30 inches.....	3.00
18 to 24 inches.....	2.75

Virginiana Schotti (Schott's Red Cedar)

Valuable in landscape work for its fine pyramidal shape and bright yellowish green color.

4 to 5 feet.....	3.50
3 to 4 feet.....	3.00

PICEA (Spruce)**Pungens (Colorado)**

Evergreen. Branches in distinct whorls, forming handsome lawn specimens.

3 to 4 feet.....	4.00
30 to 36 inches.....	3.75
24 to 30 inches.....	3.25

Pungens glauca moerheimi (Moerheim's Blue Spruce)

Very rich silvery-blue foliage, and compact, symmetrical form. Hardy. Grafted specimens.

3 to 4 feet.....	7.50
30 to 36 inches.....	6.50
24 to 30 inches.....	6.00
18 to 24 inches.....	5.00

PINUS (Pine)**Mugho (Montana Mughus)**

Very hardy, dwarf, compact habit of growth. Used extensively for rock and foundation planting.

18 to 24 inches.....	2.75
15 to 18 inches.....	2.25

RETINOSPORA**Filifera (Threaded Retinospora)**

A graceful compact Evergreen with pendulous thread-like branches. Very decorative.

18 to 24 inches.....	2.75
----------------------	------

Plumosa

Dwarf, dense and conical in habit of growth, and decidedly rich in color.

5 to 6 feet.....	4.25
4 to 5 feet.....	3.75
3 to 4 feet.....	3.25

TAXUS CUSPIDATA (Japanese yew)**Cuspidata Capitata**

Vigorous, hardy, dark green, upright growth. Bright crimson berries.

18 to 24 inches.....	2.75
15 to 18 inches.....	2.25

Hicksi (Hicks Yew)

Of vertical growth making narrow outline of rich, deep green foliage. Hardy and adapted to shade. Rapidly gaining favor.

18 to 24 inches.....	3.00
15 to 18 inches.....	2.50

EVERGREENS—Continued**THUJA (Arborvitae—Biota)****OCCIDENTALIS****Douglasi aurea (Douglas Golden Arborvitae)**

A golden color, forming a broad, bushy, heavy specimen. Hardy.

3 to 4 feet..... **Each 3.00**

Globosa Woodwardi (Woodward's Globe A.)

A small low round-headed Arborvitae. Hardy.

15 to 18 inches..... **2.50**

12 to 15 inches..... **2.25**

Pyramidalis Occidentalis (Amer. Pyramidal A.)

Compact, dark green foliage. Most popular evergreen grown. Hardy.

4 to 5 feet..... **3.75**

3 to 4 feet..... **3.00**

30 to 36 inches..... **2.50**

Rosenthali (Rosenthal's A.)

Dense, rugged, columnar form. Retains good color in winter. Slow grower.

24 to 30 inches..... **3.00**

ORIENTALIS**Aurea nana (Berkman's Dwarf Golden Arborvitae)**

Probably the most popular dwarf conifer grown. Compact form, and deep golden in color. Hardy.

30 to 36 inches..... **4.00**

24 to 30 inches..... **3.50**

18 to 24 inches..... **3.00**

15 to 18 inches..... **2.50**

Baker's (Baker's Pyramidal)

A tall, compact pyramidal. Bright green in color; hardy, but should be protected from the the winter's sun.

30 to 36 inches..... **3.00**

24 to 30 inches..... **2.75**

18 to 24 inches..... **2.25**

Beverleyensis (Golden Column Arborvitae)

A tall stately column of pronounced golden color being retained all during the year.

3 to 4 feet..... **2.75**

30 to 36 inches..... **2.50**

Bonita

A broad, cone-shaped Thuja with rich dark green foliage. A very desirable specimen for medium growth.

18 to 24 inches..... **2.75**

15 to 18 inches..... **2.50**

Daly nana

Similar in size and habit to Berkman's Dwarf Golden but bright green in color.

30 to 36 inches..... **3.00**

24 to 30 inches..... **2.75**

18 to 24 inches..... **2.50**

Elegantissima (Golden Pyramidal Arborvitae)

A golden pyramidal form, broader at the base and not so tall or fast growing as T. Beverleyensis and with bronze in its coloring. Hardy.

4 to 5 feet..... **3.50**

3 to 4 feet..... **3.00**

30 to 36 inches..... **2.75**

EVERGREENS—Continued**Excelsa**

Similar to Berkman's Golden but stronger and slightly more slender growth. Bright green in color.

	Each
24 to 30 inches.....	2.75
13 to 24 inches.....	2.25

TSUGA CANADENSIS

(Canadian Hemlock)

Rich dark green foliage; compact grower, graceful drooping habit.

3 to 4 feet.....	3.50
30 to 36 inches.....	3.00

Broadleaf Evergreens

See page 5 in our illustrated catalog for description of Evergreen Shrubs.

AZALEA MOLLIS (Chinese Azalea)

Blooms before leafing, chiefly in shades of salmon and orange. Foliage changes to an attractive bronze and red in fall.

12 to 15 inches.....	\$1.50

Roses—Oregon Grown

See pages 16 to 18 in our illustrated catalog for description of Roses.

Oregon Grown Roses are known East and West for their superior blooming quality and hardiness. We ship only one grade, strong 2 year No. 1 field grown bushes. They will bloom the first year.

In making comparisons, attention to **Quality** is even more essential than **Price**. Not all nursery stock, especially Roses, offered at "attractive prices" is profitable to the purchaser. **Buy the Best, it Always Pays.**

The selection of Roses, in our General Descriptive Catalogue, consists of many of the "standard favorites" and the best of the New and Popular introductions at moderate prices.

ROSE PRICES herein listed govern all the varieties contained in our General Catalogue.

SPECIAL COLLECTION—9 assorted 2 year No. 1, \$5.00. See back cover Descriptive Catalogue.

It's Not a Home Until It's Planted

Home Is What You Make It Why Not Have It Beautiful?

Beautiful home surroundings really cost you nothing. Every tree, shrub, and plant adds more to the value of your home than it costs.

Have a beautiful, inviting outdoor living room with soft, rich carpet of grass; where the color, fragrance, and beauty of shrubs and flowers and comfortable shady nooks invite you out of doors.

PLANT NOW!

Never a Better Time . . .

Our prices are lower than for many years past.

Let us advise you without cost or obligation just which varieties will give best results, and how to plant and care for them.

FRESH AIR, SUNSHINE, and a
BEAUTIFUL GARDEN

hold an irresistible appeal to everyone.
